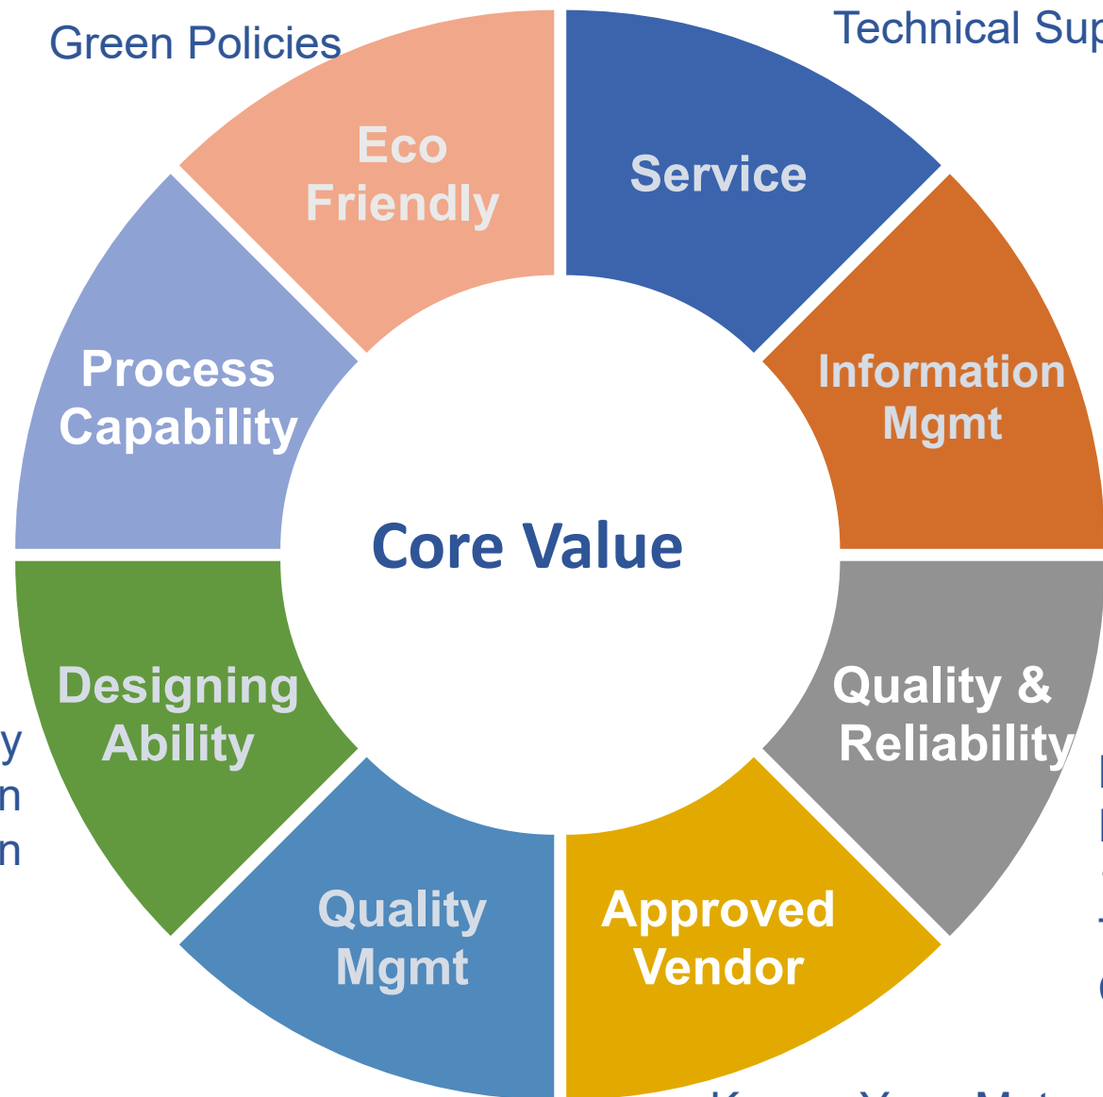
Advantage



RoHS 2.0
Energy Saving
Green Policies

ODM & OEM
High Mix Low Volume
Technical Support

ERP / BPM System
APS System
Production Info System
ISO System

DMTBF
FMEA
100% Burn-In
Temperature & Humidity Control
Component X-Ray Analysis

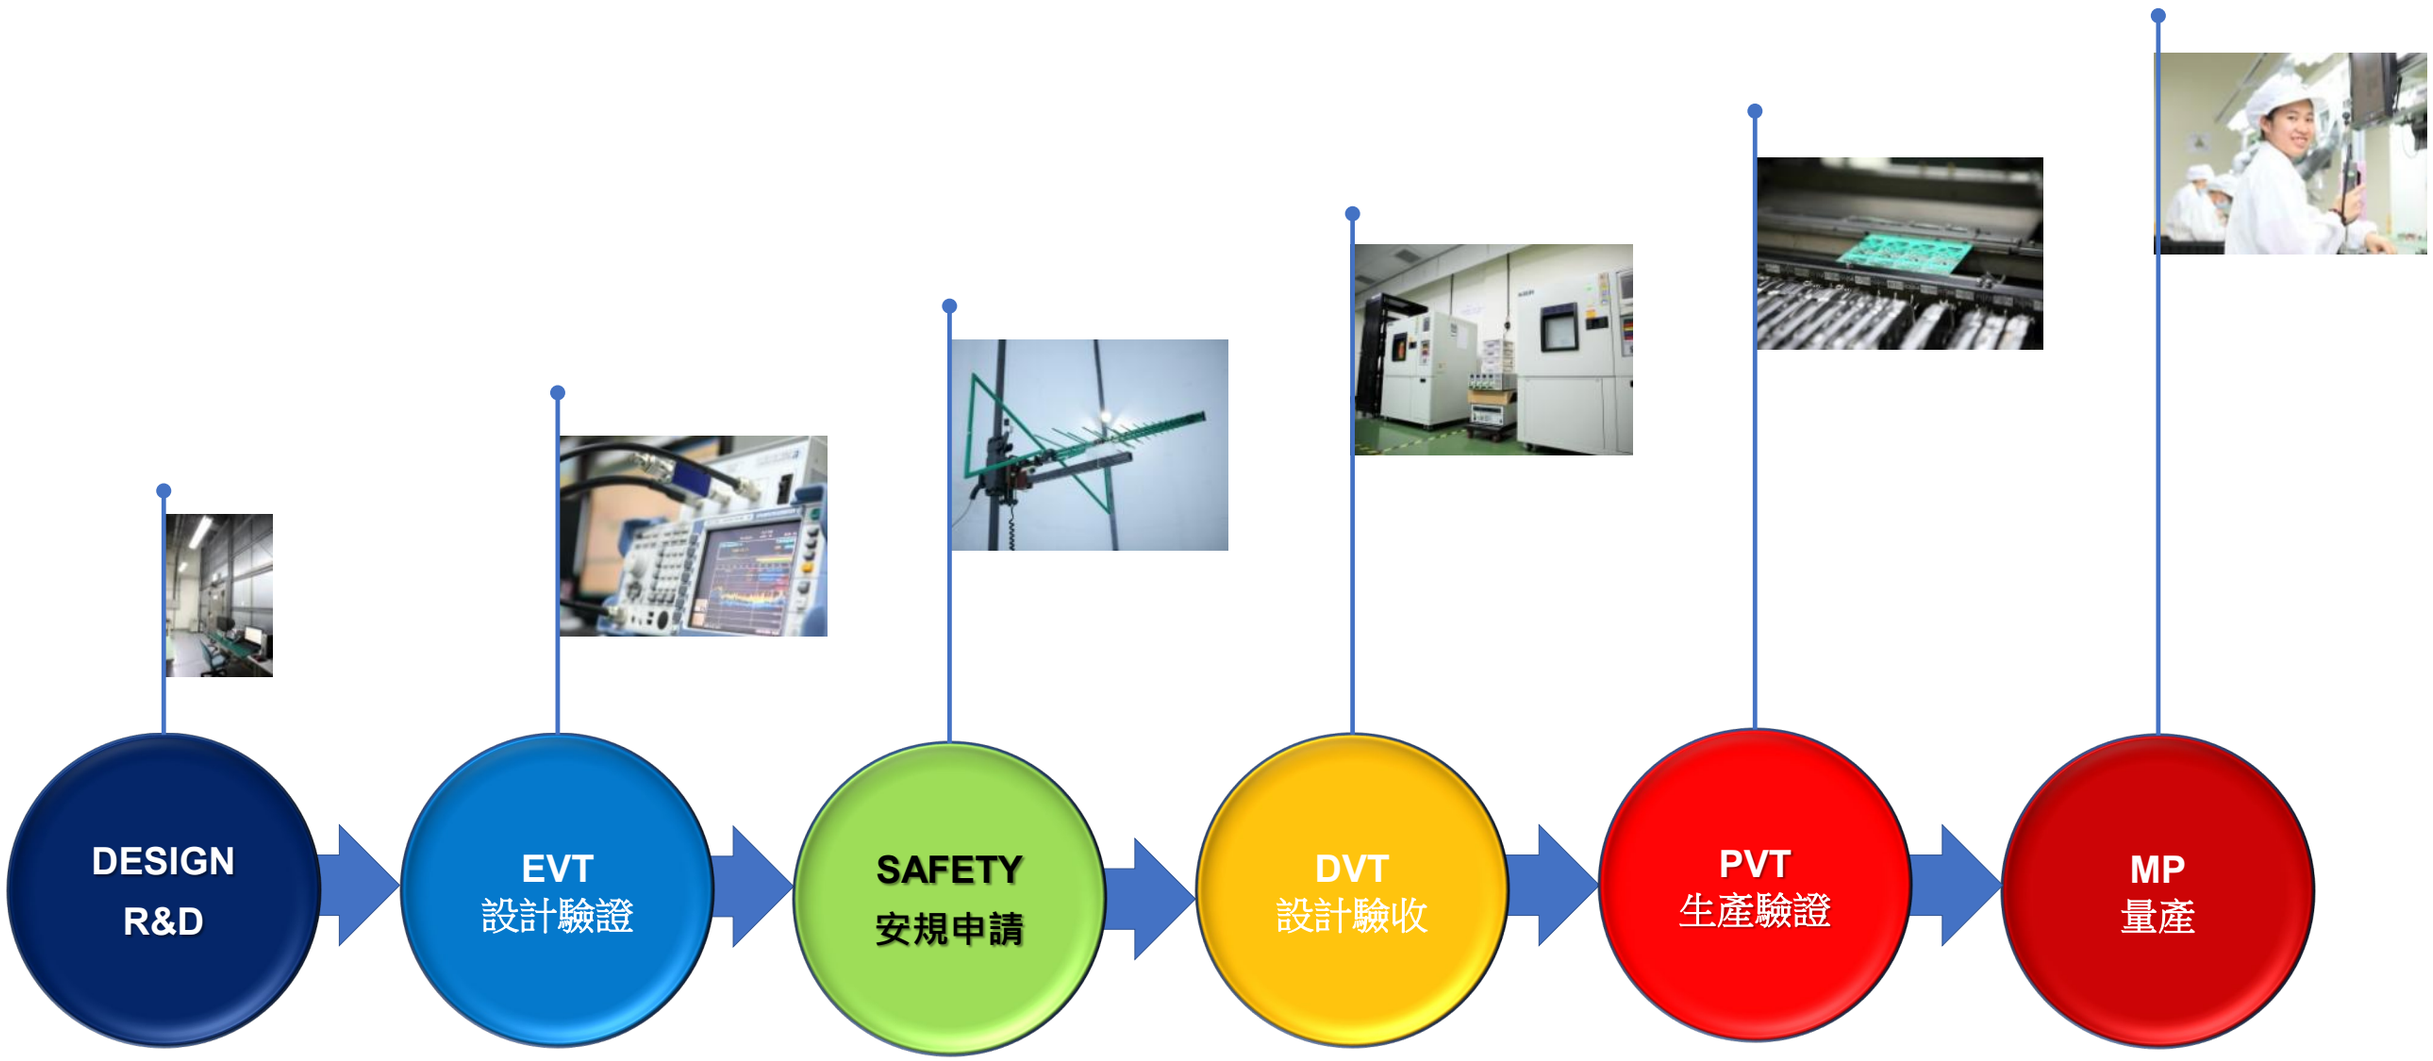
Kwang Yang Motor Co., Ltd.
GE Group
Panasonic
Formosa Plastic Group

ISO 9001 : 2015
ISO 14001 : 2015
IATF 16949 in process

Modification Capability
Power supply solution
Product Verification

SMT/DIP
ATE System
Aging Test
Traceability

Rigorous Product Verification



EMI CHAMBER

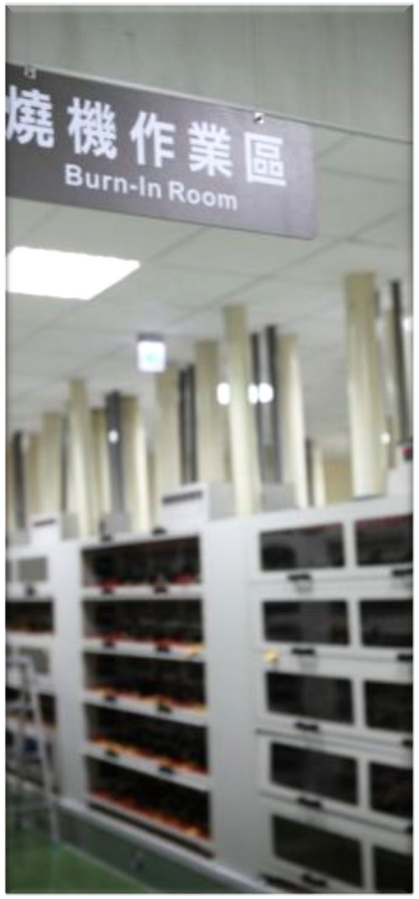
- EMI radiation & Conduction Testing Equipment
- Surge & EFT Testing
- ESD Testing

EMI Radiation

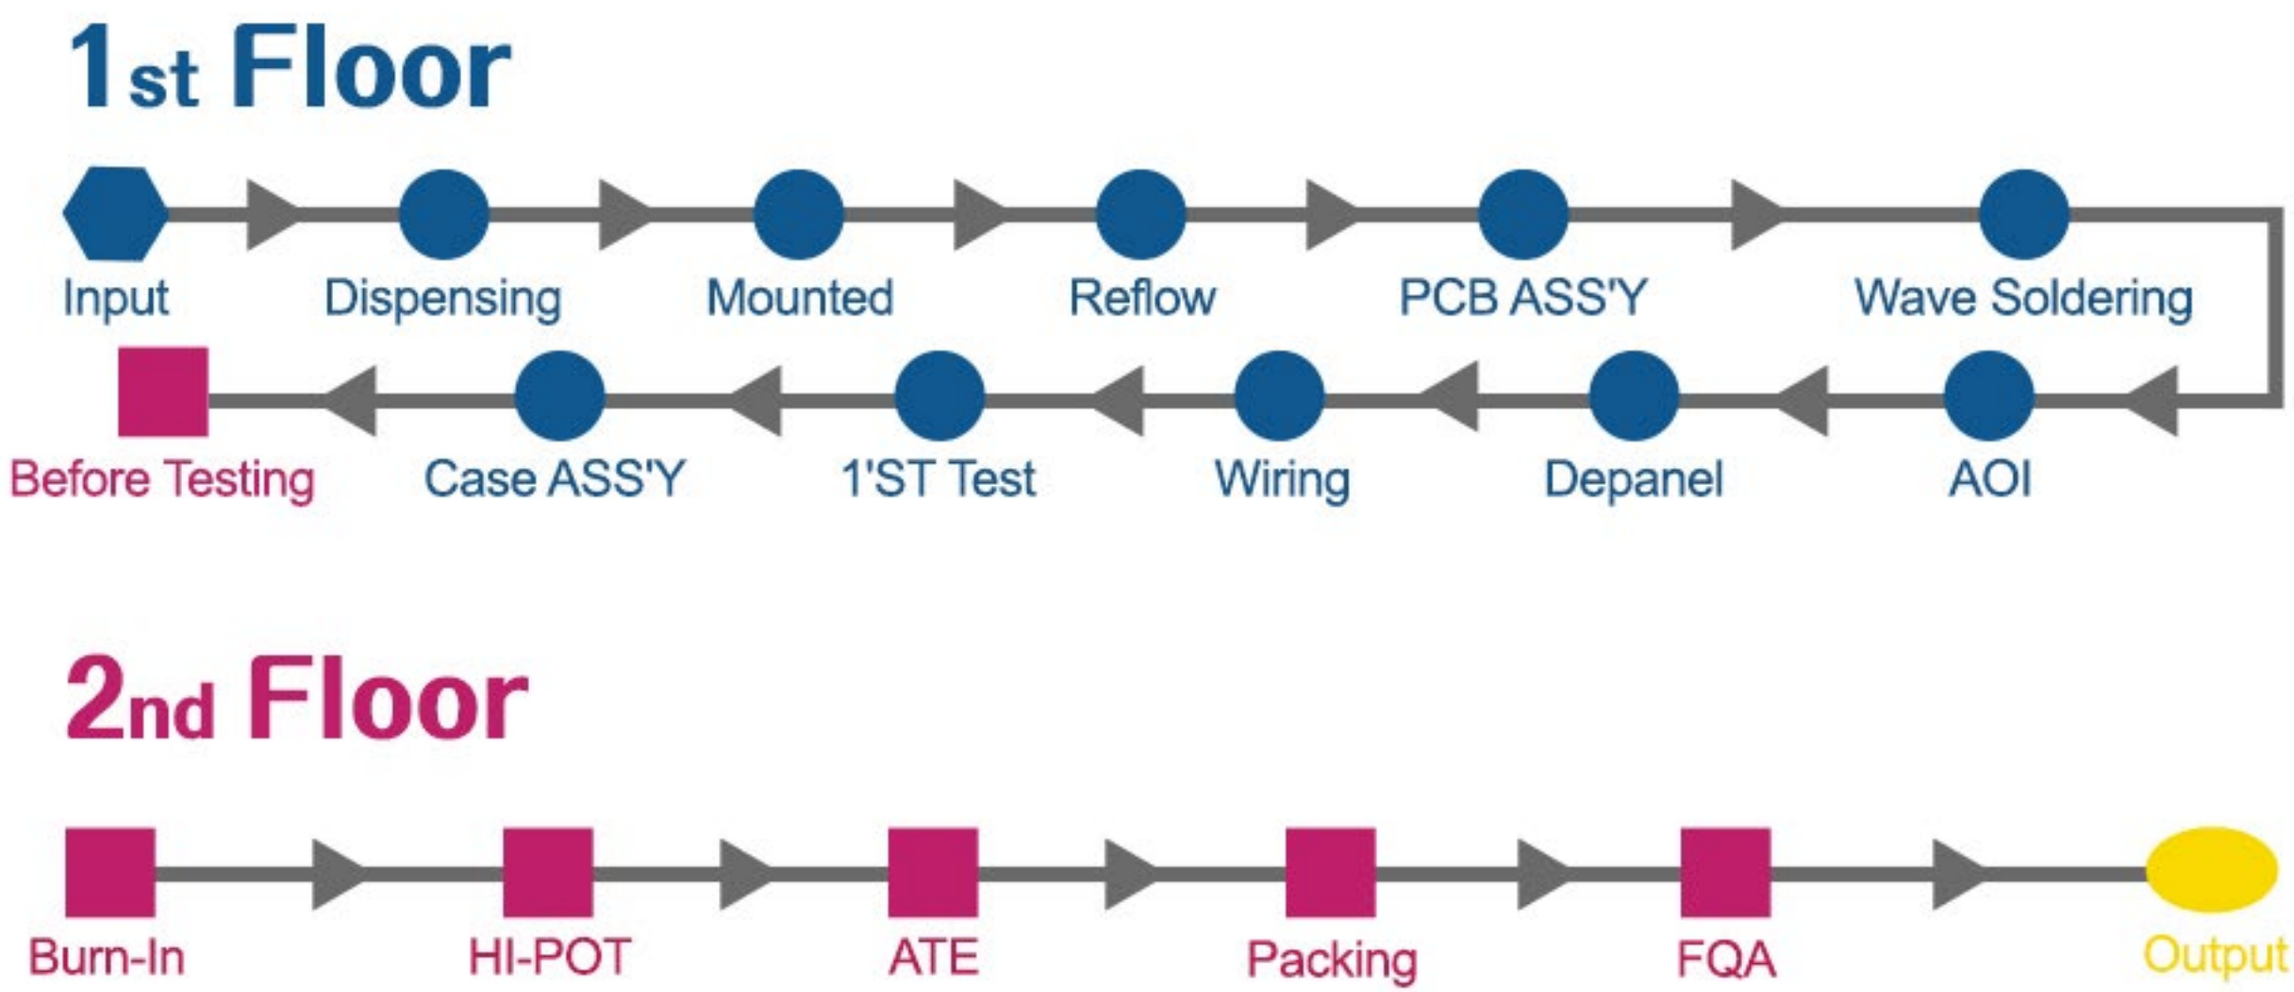
EMI Conduction

Production management

- E-SOP system
- Aging Test -AUTO BURN-IN System
- Traceability -ATE system, MES system
- APS System



Production flow



ESD Facilities

ESD Dressing

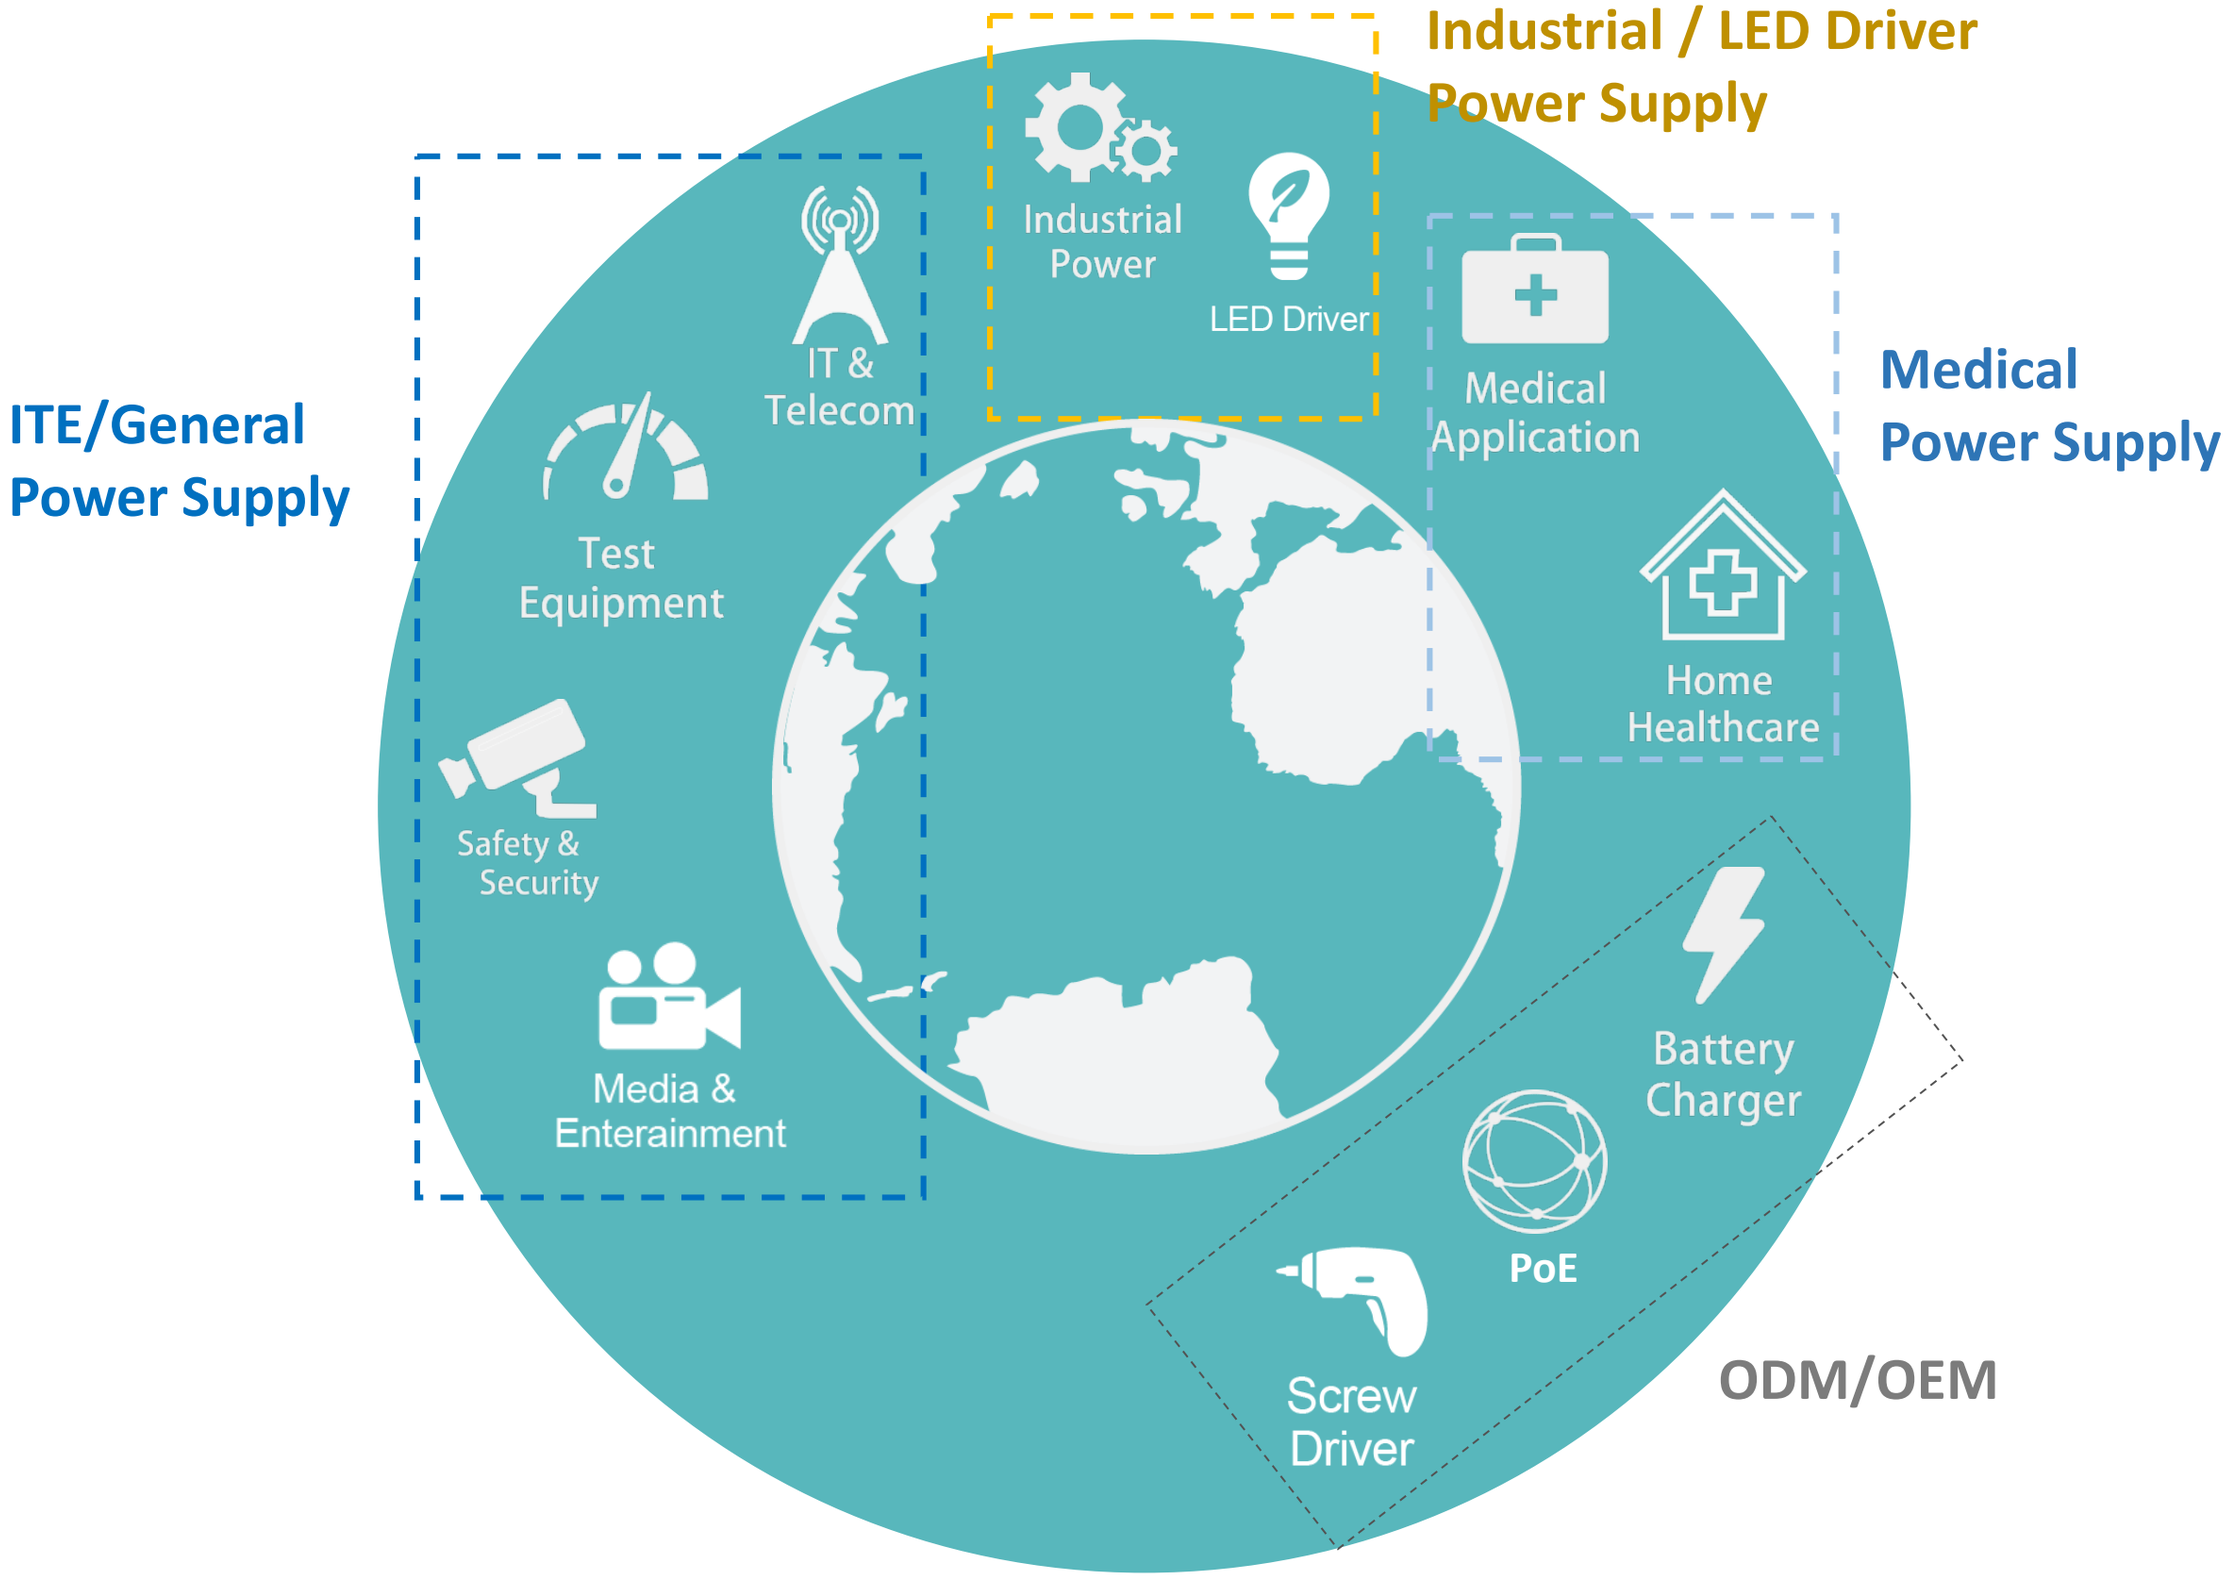
Component X-Ray Analysis

Temperature & Humidity Control

APPLICATION



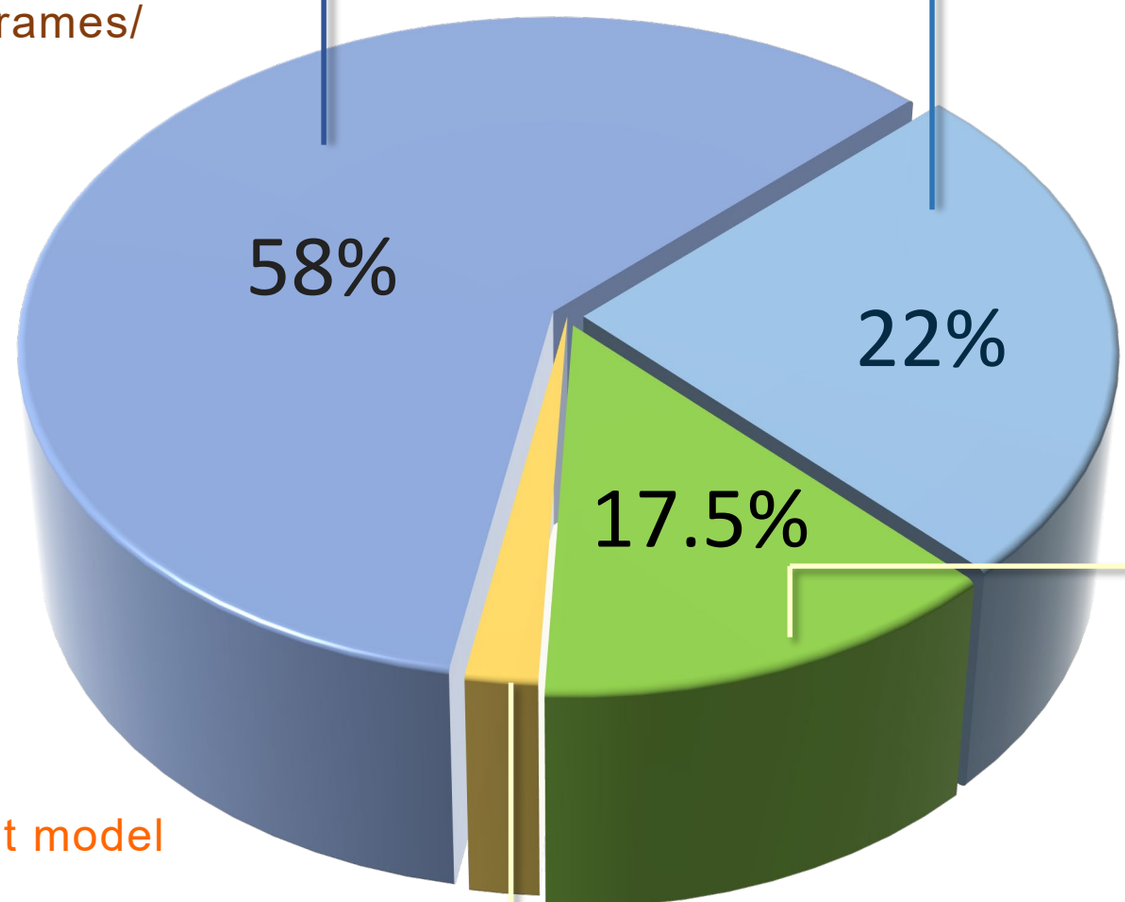
Product Category

ITE INDUSTRY

* 10-350 Watts
* External / Open frames/
  U-frame/L-frame
  Enclosure

MEDICAL

* 10-600Watts
* External / Open frames/U-frame



INDUSTRIAL

* 10-300Watts
  External / Open frames / U-frame
  L-frame / Enclosure

Available:
High attitude model
Low leakage current model
Water proof
Low operation temp model
ODM/ OEM

NEW PRODUCT

* Electrical Parts for EV
* LED DRIVER: 40~180W
* DC-DC: 1~75W
